

Nautilus Water Suites

Escape Edition on HDPE Pipe Hull

Concept render booklet

Renders to GA NWS ESC 01 Rev AA and Weights and Stability Check Rev Z | 18 October 2026

NAUTILUS INNOVATION

Concept renders for design review. Materials, colours and furniture are indicative. Nautilus Innovation Pte Ltd, 200 Loyang Avenue #03-04, Singapore 509058

Render 01 Bow Quarter

Level 2 suite with the one piece acrylic bow window; KERAS pedestal and beams charcoal stained against the black skirt; bifolds in a textured grey wash; folding swim ladder.

Render 02 Stern Quarter

Trellis stair tower with the AC and hot water units under the flights, deck cabinets removed, stern windows behind vertical battens.

Render 03 Side Elevation

Six HDPE pipe lines, long and short pipes alternating, black skirt over the beam ends, side entry at deck level by the kitchen island.

Render 04 Aerial Roof Terrace

Open roof terrace in textured sandy brown synthetic turf, railing on all four sides, tower lid level with the rail top, half door and sliding hatch.

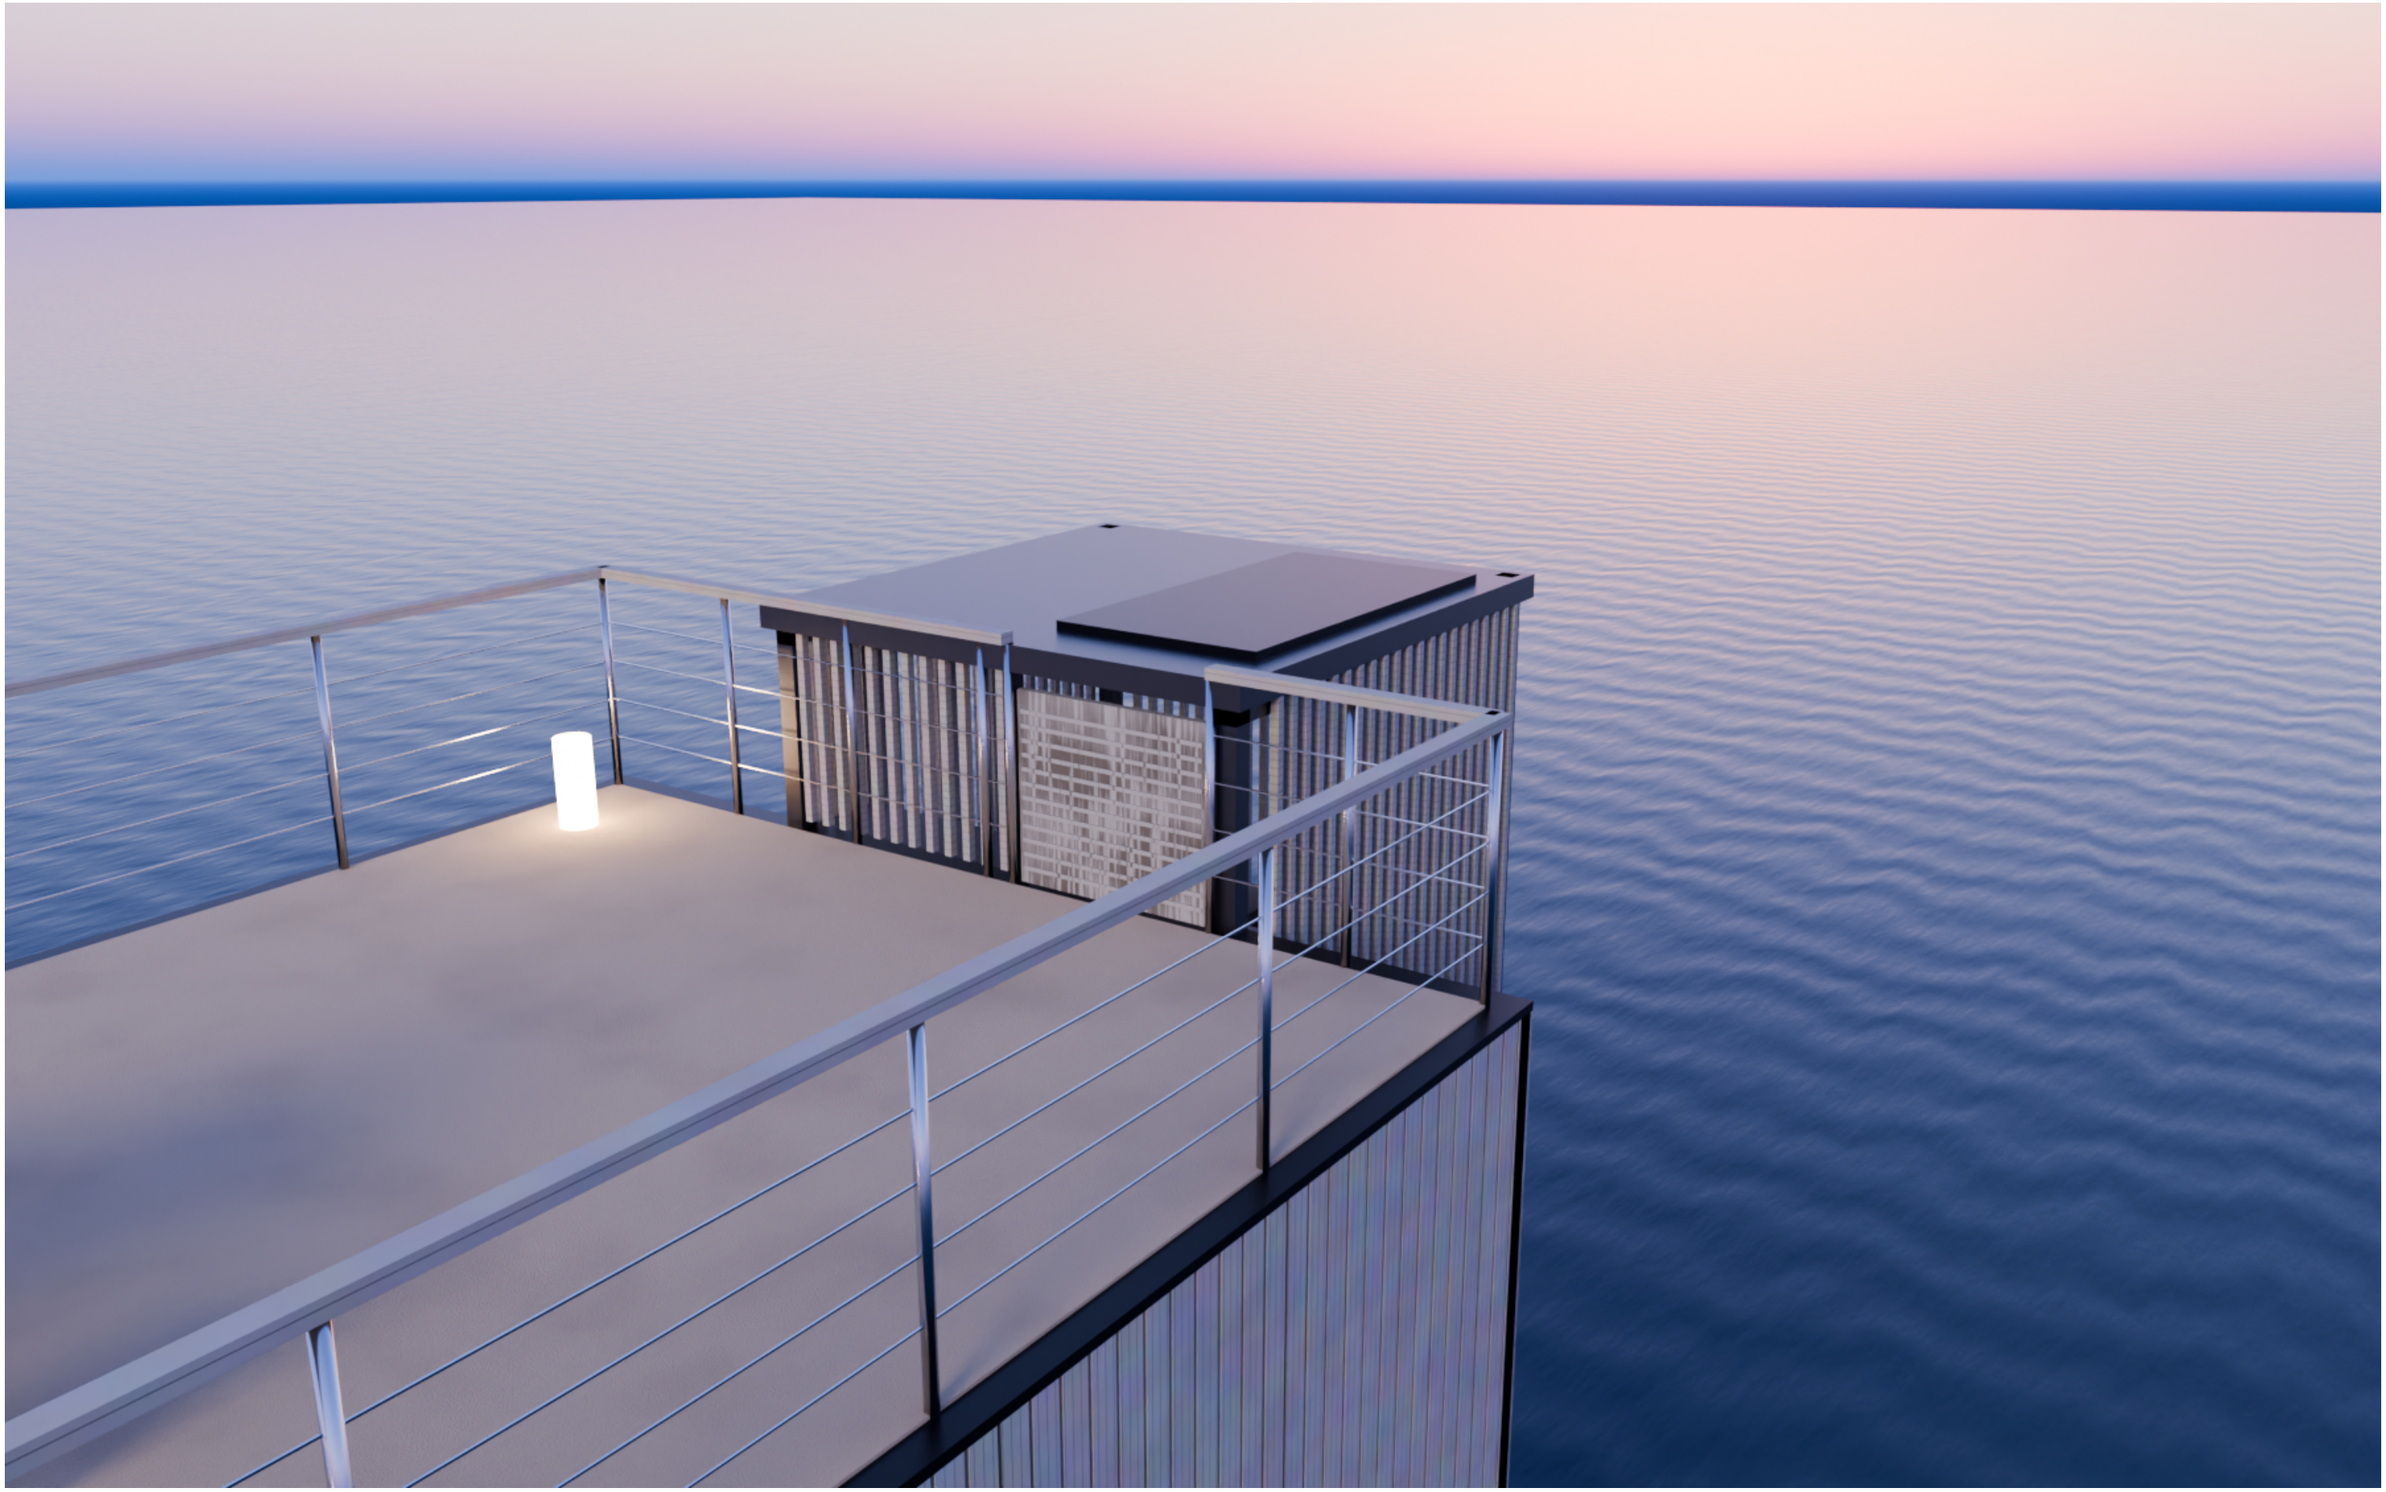

Render 05 Level 2 Suite

Palette after the Six Senses Belize OWL concept: honey oiled CLT, bleached oak floor, sand plaster, terracotta stained desk, rust weave rug and white linen.

Render 06 Ground Floor Living

Exposed CLT soffit in clear honey oil, inner KERAS beams dark teak, edge beams charcoal, sand microcement casings, terracotta island and rattan seating, warm 2,700 K lighting.

Render 07 Roof Exit

Stair tower lid level with the rail top, sliding hatch over the top flight, 900 high half door in the rail opening.
